#### **INSTANT DATA**

Share drying reports with your team, customer, or the insurance agency via text or email.

- Customize with your logo.
- Track progress on all affected areas.
- Monitor readings of all affected materials.
- Automatically adds equipment and usage to report.

DryPHONE

Add notes throughout the project.

**DryLINK Enabled Equipment** 

1

Our DryMAX BLE, DryMAX XL and AirMAX BLE are available with Bluetooth technology allowing you to automatically connect these units to DryLINK. Just look for the Bluetooth sticker!

#### **DryTAG**

\*

Turn your entire fleet into Smart Equipment with Phoenix's DryTAG option. This battery-powered Bluetooth beacon works with any brand equipment to provide last know location and hours of operation. Paired with DryPHONE, this beacon can send alerts if equipment loses power. \*

\* DryTAG does not provide Temperature and RH data.

#### **DryPHONE**

The Phoenix DryPHONE offers access-from-anywhere convenience to DryLINK enabled equipment. This inexpensive option provides a number of benefits including the ability to send alerts when equipment is turned off or when a goal has been reached.

#### **Xactimate Remote Monitoring Codes With** DryPHONE (Gateway):

WTRRM Remote Monitoring with up to 10 sensors: \$55/day\*

WTRRMG Remote Monitoring - additional gateway: \$30/day\*

WTRRMS Remote Monitoring - additional sensor (each): \$3/day\*
